Solid Rock Carpenters
Attn: Mr. Jeff Engle
4700 W. Lake Avenue
Glenview, IL 60025

Dear Solid Rock Carpenters:

John Wesley's Rule for Christian Living
"Do All the Good You Can, By All the Means You Can
In All the Places You Can, At All the Times You Can
To All the People You Can, As Long as Ever..... YOU CAN!"

What a wonderful gift of service you provided to both the Northshore Disaster Recovery and to the families we assisted on your trip to Slidell, LA on December 25-31, 2006. To be a part of improving the living conditions and, therefore, the lives of families who have been affected by Hurricane Katrina is to be an angel of mercy. The changes made in their homes now allow those families to be safe and secure. Thank you for your energy, expertise, and willingness to serve. Without you we could not help these families.

Your support of the Northshore Disaster Recovery, Inc. is a blessing to us and to those we serve. Your team exemplifies the servant attitude that Jesus Christ came to Earth to teach. We look forward to seeing you again in the future.
